

«mitten unter uns» – ein Integrationsangebot
«Amidst among us» – an integration offer

Dear parents,

«Amidst among us» is an integration offer from the Swiss Red Cross, Canton of Zurich.

For your child, we arrange two to three hours' visits a week at a German-speaking person or family. This means that your child will participate in his/her hosts' everyday life (will play, do handicraft activities, eat, do his/her homework and make excursions together with the hosts), will talk German and listen to it, and will be promoted in his/her overall development. «Amidst among us» is an initiative that fosters mutual understanding and supports the integration of your child.

A staff member of the Swiss Red Cross will establish the contact between you and your child's hosts. He/she will accompany the first meeting of all persons involved and will be your contact person for any questions or problems that might arise during this host-guest relationship. The offer is gratuitous.

We are looking forward to your application to:

Schweizerisches Rotes Kreuz Kanton Zürich, mitten unter uns, Drahtzugstrasse 18, 8008 Zürich

With kind regards

Swiss Red Cross (Schweizerisches Rotes Kreuz),
